Public offer

Terms of distance sale of goods on petronix.uz.

Version of 2 November 2026.

1 General

1.1. This document is a public offer by PETRONIX TECHNOLOGIES LLC (TIN 312095643, the "Seller") to any person (the "Buyer") to conclude a contract for the sale of goods presented on petronix.uz on the terms below.

1.2. By placing an order on the website, by phone or via Telegram, the Buyer confirms that they have read and fully accept this offer, the privacy policy and the returns policy. The contract is concluded from that moment.

1.3. The Seller may amend this offer. A new version takes effect when published on the website and does not apply to orders confirmed before publication.

2 Subject

2.1. The Seller transfers to the Buyer spare parts, components and equipment for gas compressors and CNG filling stations, and the Buyer accepts and pays for them.

2.2. Descriptions, photos and specifications on the website are for information. The appearance of goods may differ slightly from the photo without changing their purpose or specifications.

2.3. Equipment manufacturers' part numbers (OEM numbers) are given for compatibility matching only and do not mean the goods were made by that manufacturer unless the description explicitly says so.

3 Prices

3.1. Prices are shown in Uzbek sum (UZS). If a price is set in US dollars, the website converts it at Hamkorbank's USD selling rate, updated during the day.

3.2. The final order price is fixed when a manager confirms the order and does not change afterwards.

3.3. Delivery is not included in the price of goods unless stated otherwise at checkout.

4 Placing and confirming an order

4.1. Orders are placed on the website, by phone or via Telegram. The Buyer provides their name, phone number and, for delivery, an address; companies also provide their name and TIN.

4.2. An order is accepted once a manager confirms it by phone or message. If goods are out of stock or arrive later, the manager offers a replacement, a new date or cancellation.

4.3. The Buyer is responsible for the accuracy of the data provided. A manager helps select parts for a compressor model; the final choice is the Buyer's.

5 Payment

5.1. Payment methods are shown at checkout: cash on receipt, bank transfer from a company against an invoice, and other methods offered on the website.

5.2. For bank transfers, the order is prepared after the money reaches the Seller's account. Documents (invoice, receipt) are issued under the laws of the Republic of Uzbekistan.

6 Pickup and delivery

6.1. Pickup is from the Seller's warehouse in Tashkent once the order is confirmed as ready.

6.2. Delivery within Tashkent is by courier service; the cost is calculated at checkout and paid by the Buyer.

6.3. Shipping to other regions: the manager confirms cost and timing when confirming the order.

6.4. On receipt, the Buyer checks quantity, completeness and appearance. Claims about quantity and visible damage are accepted on receipt.

6.5. Ownership and the risk of accidental loss or damage pass to the Buyer when the goods are handed to the Buyer or to a courier on the Buyer's instruction.

7 Returns and exchanges

7.1. Returns and exchanges follow the rules on the Returns page (petronix.uz/returns): goods of proper quality cannot be returned; defective goods are replaced or refunded if reported within 10 days of receipt.

8 Warranty

8.1. Where a warranty period applies, it is shown on the product page or stated by the manager when confirming the order.

8.2. The warranty does not cover damage from incorrect installation, operation contrary to the equipment manufacturer's instructions, normal wear, or repairs by third parties.

9 Liability

9.1. The parties are liable for non-performance under the laws of the Republic of Uzbekistan.

9.2. The Seller is not liable for losses caused by the Buyer's incorrect selection, installation or operation of goods, or for delays due to force majeure.

10 Personal data

10.1. The Seller processes the Buyer's personal data to fulfil the order in accordance with the Privacy Policy (petronix.uz/privacy).

11 Disputes
